

N > NEW PELICAN CASES

1015 Micro Case
The Micro Case Series™ has a new member. The 1015 Micro Case protects your miniature valuables.

i1015 Case
The new i1015 Case is engineered to protect your iPhone™ or iPod® touch while listening to your favorite tunes with the external headphone jack.

1170 Case
From protecting your inventory data control to housing personal cameras, you can count on the new 1170 Case for protecting your equipment in any harsh environment.

1090 HardBack™
Watertight and dustproof, this streamlined case will protect your 15" laptop. Protect your laptop in your HardBack™ before you slip it into your softbag or use it with its shoulder strap (included).

*Tools and foam not included

0450 Mobile Tool Chest
Standard equipment for US Military repair units, the 0450 Mobile Tool Case (tools and foam not included) can be configured with up to 7 shelves (and a top tray) to contain a variety of tool combinations. A retractable handle and built in wheels keep you moving when the job is done. Loaded with resourceful features to make your job easier.

1740 Long Case
The 1740 is your ideal method for protecting a telescope, jack hammer, rifles, chainsaw, tripods and lights, and other long gear. We developed the 1740 for easy one person transport and its depth and length allow for infinite storage possibilities.

1770 Long Case
When you need protection for longer equipment and weapons such as .50 caliber guns and survey drill kits, the 1770 Long Case is our longest case to date.

1730 Transport Case
From the loading dock to the final destination, the new 1730 is the rugged transport case for the job. Stainless steel ball bearing wheels and a fold down handle turn big loads into a one-man job. Got a whole pile of gear to move? Heavy cleats hold a stack together as one secure load.

0500 Transport Case
This new case fits two up on a standard size pallet. It also can be inverted and used as a pallet with an airtight cover.
